# Buy the Burg Bingo - September 2024 Edition

Follow the instructions below to play and submit your completed Bingo card for a chance to win.

## 1. Complete the Tasks to make a Bingo

Perform the action listed in the square of your choice on your Bingo card. For each completed task, take a clear photo showing the completed task. This could be a selfie, receipt or proof of attending a community event.

## 2. Mark Your Bingo Card

You'll need to complete a traditional Bingo, which means you must achieve five tasks in a row—horizontally, vertically, or diagonally to be in the drawing to win. Clearly marked bingo cards will be a part of your submission. This can be done on a physical card or digitally.

## 3. Submit Your Completed Bingo Card & Photos

Once you have a Bingo (five in a row), you're ready to submit! Using the Love What's Local form, upload the corresponding photo to your completed tasks as well as your completed bingo card. Fill out the form completely, noting the Bingo squares you completed which correspond with the photos submitted. The form can be located on our website [warrensburgmainstreet.org/love-whats-local/](http://warrensburgmainstreet.org/love-whats-local/) or use the QR Code on the front of the Bingo card.

## 4. Verify Your Bingo

After submitting your completed Bingo card, our team will review your submissions. You will receive a confirmation email if your Bingo card is verified and accepted.

## 5. Prize and Recognition

If your Bingo card is verified, you'll be entered into our prize drawing! Drawings will be done on the 1st Friday of each month. Winners will be notified by email/phone and shared on Love What's Local's social media.

## Tips for Success:

Ensure all photos are clear and show the task being completed. Double-check that your Bingo card is fully marked before submission. Follow all submission guidelines to ensure your entries are accepted. **If you have any questions or need assistance, please contact us at [lovewhatslocalburg@gmail.com](mailto:lovewhatslocalburg@gmail.com) or through social media.**
